

Moodle Instructions

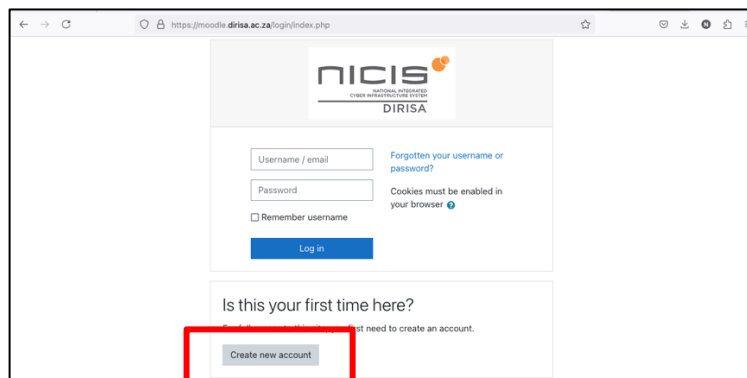

Please follow the below steps to ensure you are able to access the DIRISA Individual Qualifier Quiz:

1. Navigate to <https://moodle.dirisa.ac.za>.

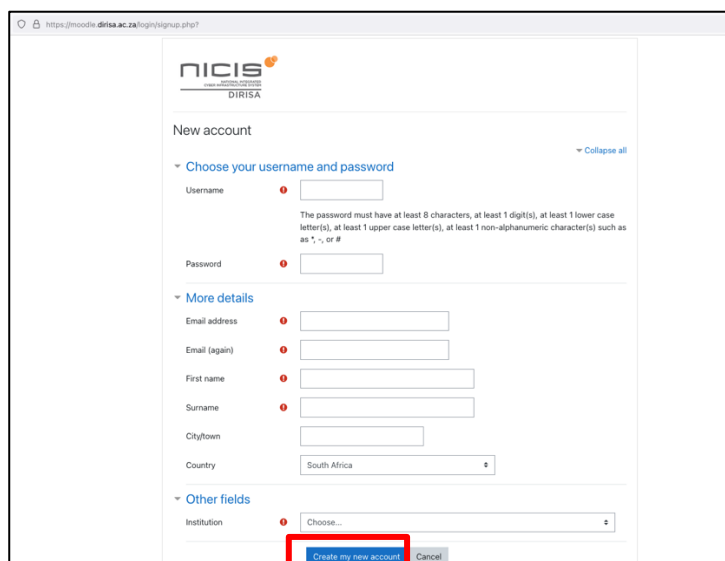

2. Click on 'Log in' on the top right corner.

3. Click on 'Create new account' to create a new account by filling in all the required information.

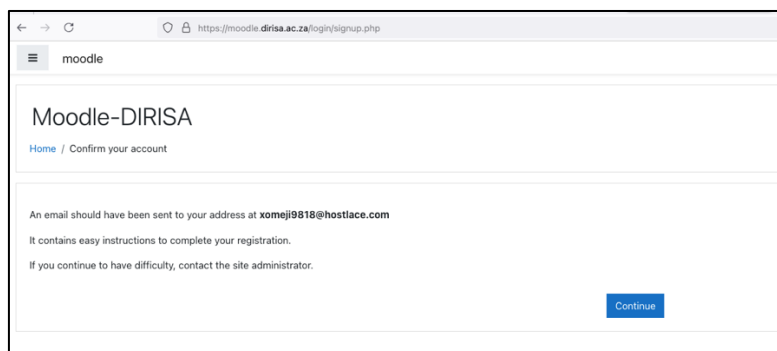

4. Complete all the required information on the New Account Page.

Please ensure that you select your correct institution.

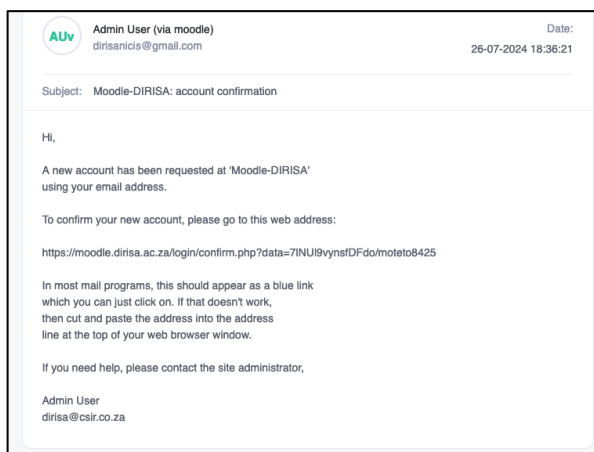

Note – if your institution is not listed, please send an email to nshozi@csir.co.za.

5. Once you have completed all the information, click on 'Create my new account'. The below page will be displayed:

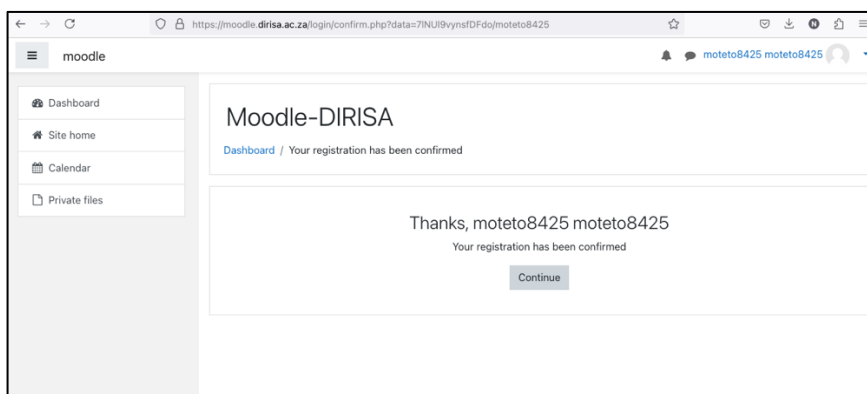

Note – this 'Continue' button will only work after your account is confirmed via email.

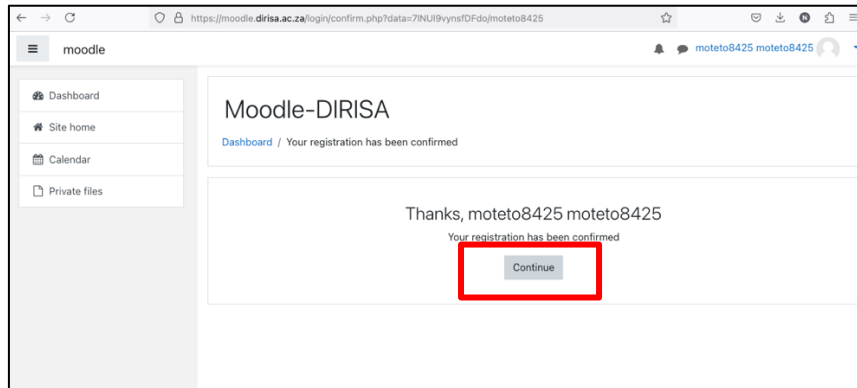

6. You will then receive an email that requires you to confirm your registration.

7. Click the link in the email and it will redirect you back to the DIRISA Moodle website. Your registration is now confirmed:

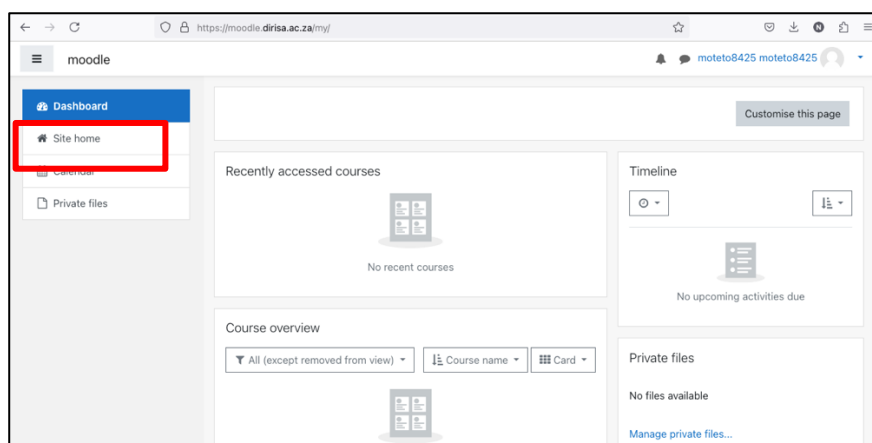

8. Click on the 'Continue' button.

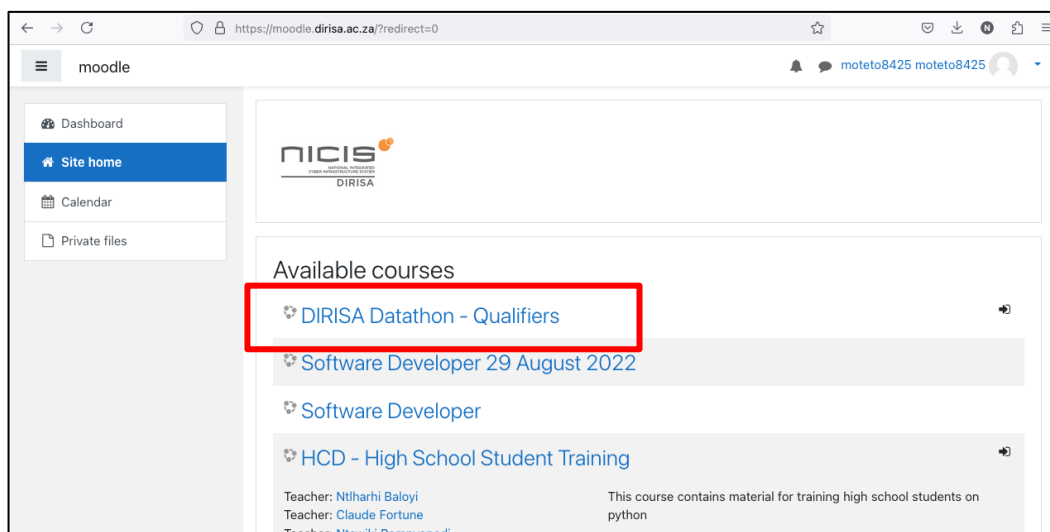

9. You are now registered and logged into the platform!

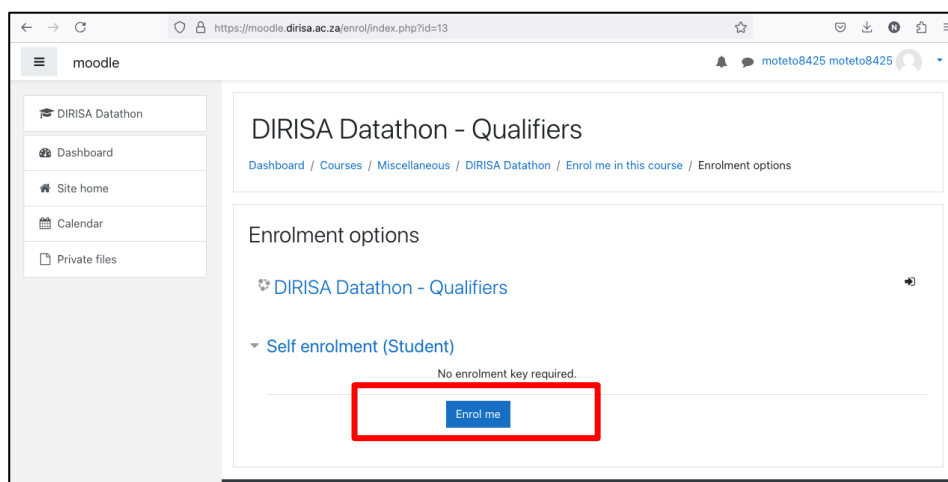

10. Click on 'Site Home' on the left.

11. Click 'DIRISA Datathon – Qualifiers'.

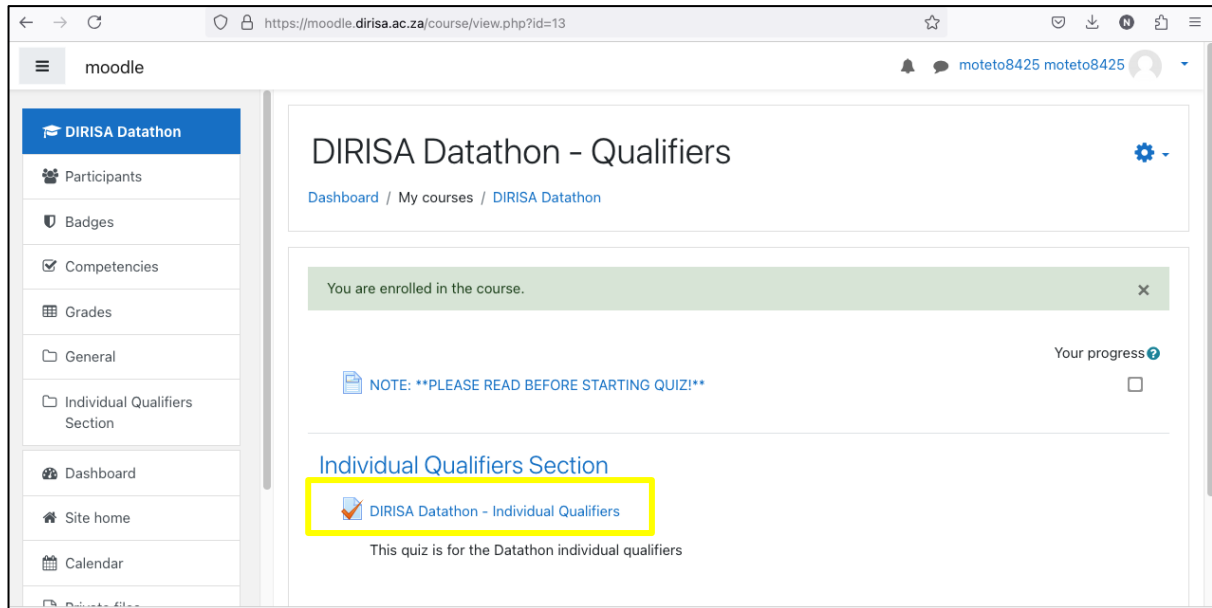

12. Click on 'Enrol me' to do self enrolment.

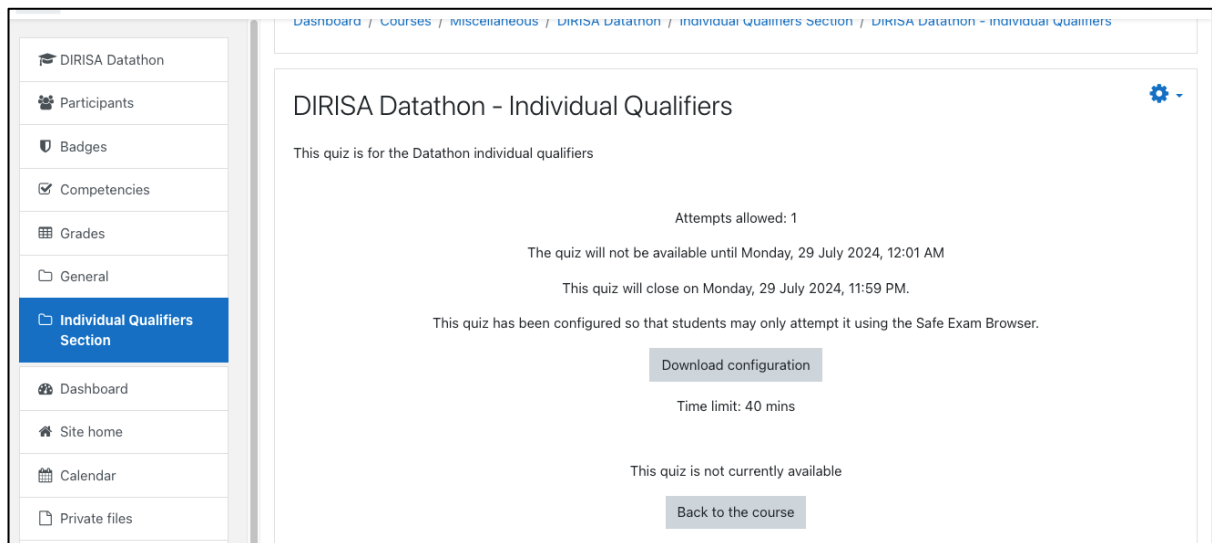

13. You are successfully enrolled to the qualifiers!

Please ensure that you read the NOTE before starting the quiz:

- The quiz can only be written using a Safe Browser. You will need to download this before the quiz can be written (You can download this and prepare the environment before 29 July 2024). All the instructions will be given once you try to attempt the quiz. This safe browser will require you to login again on Moodle, so please make sure that you know your login username and password as it will not allow you to copy and paste.
- When using the safe browser, everything is locked and disabled. To exit the safe browser after the quiz, there is a button to exit on the bottom right of the page.
- The quiz might require a calculator, so please have this ready on hand.
- The quiz is 40minutes long. A timer will be displayed on the screen. *Tip* - Try not to spend more than 1 minute per question.
- The quiz is made up of 36 questions.
- Questions are multiple choice.
- In a multi-select question, if you select two options - one correct and one incorrect, your answer is marked as "partially correct" and subject to a penalty. You only receive the full mark if you **ONLY** selected the correct answer.
- If you run out of time, the quiz will automatically submit.
- **DO NOT re-attempt the quiz as you will get an automatic 0.**
- Lastly, the quiz is open from 29 July 00:01 until 29 July 23:59. Once you start, you cannot pause the timer!

14. The quiz is highlighted in yellow in the picture above.

The quiz opens at 12:01am on 29 July 2024 and closes at 23:59pm on 29 July 2024.
